

# The environmental level in the Czech Republic

# How do we recycle?

- At our school we separate:

a container for  
paper –  
twice a year

drink  
cartons

plastic

paper

- We collect plastic lids

- We also collect batteries and small electrical appliances

- The school is involved in the project Recycling - the pupils do different tasks.

our recycling flag

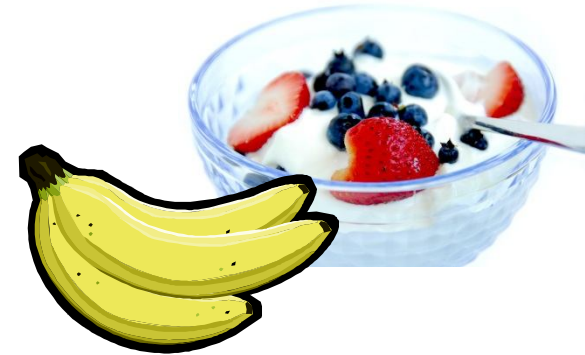

# How do we serve our school lunch?

- Our pupils have lunch in school cafeteria

- Lunch usually includes soup, main dish, salad and a drink.
- Sometimes pupils have dessert or fruit instead of salad.

# What are the responsibilities of pupils in the classroom?

- Controlling the order in the classroom
- Watering flowers

- Cleaning boards
- Decorating classes (notice boards)
